The amendment to correct typographical and/or grammatical errors in the specification has been entered. However, the IDS has not been considered because this IDS was submitted with an invalid copy of a Return Receipt Postcard as a proof. The postcard shows an incorrect application serial number 11/667,188 instead of 10/667,118 as assigned for the application being examined. The applicant has filed an RCE to correct this issue in order for the IDS to be considered.
